### Description

This bike is amazing! Super clean and very well taken care of. The blacked out 2008 Yamaha YZF-R6S sounds awesome and makes heads turn every time I ride it.

Mileage: 17,800 miles

Various performance upgrades including aftermarket rims, carbon fiber exhaust, and a brand new rear tire. Always stored in the garage with regular routine maintenance work done. Utah has a long season for riding so there are plenty of months left to take this thing on some adventures.

Just dropped the price on it to \$4,300 and am hoping to sell soon. Will consider other reasonable offers, NO trades.

I have the clean title and VIN # upon serious requests.

CASH offers only and needs to be in hand before any test rides.

Feel free to contact me with any questions.
